

# Vitamin and Mineral Supplement with Resveratrol and Chlorella

## RESVERATROL - found in red wine - A BREAKTHROUGH IN ANTI-AGING

Resveratrol, a natural phytonutrient found in red wine has been considered by many as one of the most exciting developments in anti-aging medicine. Each dose of Immunotec's Vitamin and Mineral provides the equivalent resveratrol found in five (5) bottles of wine...

## CHLORELLA – ONE OF NATURE'S "SUPER-FOODS"

Chlorella, a green algae, has been described by many as "the perfect food", because of its nutritional value. Immunotec uses chlorella for its unique ability in supplying ALL the trace elements needed for optimal health... something very difficult to accomplish in standard vitamin pills.

- OPTIMIZE your health and well-being!
- ENSURE that you are getting ALL the nutrients and micronutrients that your body needs, and more!
- BOOST Immunocal's Power by Maximizing Glutathione Function!

## You are most likely not getting what you need from your food alone...

- Approximately 90% of the money spent on food in the U.S. is spent on processed foods.<sup>1</sup>
- Even the nutritional content of fresh crops has fallen dramatically over the years.<sup>2</sup>
- Now medical doctors are being encouraged to suggest vitamin & mineral supplementation.<sup>3</sup>

Getting all the nutrients that our bodies need every day can be a challenge – especially with today's on-the-go lifestyle. Due to the declining nutritional value of fresh produce, even for those of us that avoid processed or fast food, we still may not be getting the nutrients we need. This may lead to a variety of health problems<sup>4</sup>, including:

**Cardiovascular – Osteoporosis – Obesity**

## THE GOOD NEWS!

By getting the nutrients that your body needs every day, you'll have more energy for your busy lifestyle, and most importantly, you'll feel healthier, stronger, and have a better sense of well-being.

## YOUR KEY TO GOOD HEALTH

***Immunotec's Vitamin and Mineral Supplement with Resveratrol and Chlorella is a Comprehensive nutritional support offering the best nutritional factors you need to balance out your day.***
